A technician wearing a bright orange rain suit and a yellow life vest is kneeling on the deck of a boat. The technician is focused on working on a piece of equipment inside a white plastic container. The boat is on a choppy sea, and the sky is overcast with dark clouds, suggesting a storm or rough weather. The technician is wearing a red rain jacket and yellow rain pants. The boat's deck is dark and wet. In the background, there are various pieces of equipment and rigging on the boat.
